Sculling docks in week after usc

Thursday - City council thing? - Amamda to help with this

Doing farmers market thing

Doing the adaptive thing

Rowing machines

She stores her rowing machines at a cross fit gym in longmont

Youth Program

We currenty have no youth program

Getting some optis

RS boats for kids

Open Bic

Maybe do a summer camp?

Someone is going to sell Optis

Grand lake is going to buy 10
2500 for a club rigged boat
Knock off some money if we buy more than 3?

How many boats do we need to start a program?

Possibly 5 boats?

Turn them into

Talk to community sailing to see if they have any optis to sell - Doug

Amanda to put out a survey about a youth program

What time and day?

Week long program

How much money should this cost

Constain to certain months

Free rentals for kids to go through the program

Amanda to lead this program

People need to be certified instructors

Putting skin the game

No dropping your kids off

This might be money or participation

Hunter Repairs

Putting this off for now.

Lots of cracking in the hull.

Marcus doesn't have enough time to work on this now.

Paying someone else to do

Marcus is willing to teach people how to repair.

Organize a team to do this.

Might be able to do this duing dock in day.

Weather Station

We are going to make one

Marcus will buy one.

weather station with a cellular modem.

Positions

We need a social chair

Lorina?

Membership chair

Do we need this roll?

Marcus to draft a welcome email for new members?

Put the schedule in this

Docks in

Newsletter?

Action Items

Amanda

To put out a survey/email for a youth program

Marcus

Email about Docks in
