

USC BOD meeting 4/30/17. Panera, Longmont.

Present: Gib, Robert, Ryan, Marcus, Mark, Doug, Amanda, D.J., Paul.

General chat.

Rental Program. How can we reduce the load on the volunteers (mostly Tim). How about specific check out days? Email to club looking for support got little (1) response.

Discussion about instructor tune-up and refresher of instructors. Possible instructor instructor day, end of May.

“Charter” program, instead of “Rental”.

Write an email about helpers for rental/charter boats. Set check-out times. (Doug). “Steward Rate”

Capri at \$20. “Steward Rate” of \$12.

Moved to buy 35hp for \$550, sell the 5HP by Robert. Approved unanimously.

Update on City stuff, from Doug. Still waiting for lease to be signed. Relations with community scullers are good. Do we want Deb’s old shed? Maybe if the scullers don’t want to move it.

Mark Flett wants to buy restaurant lid thingys for grill. Unanimously in favor.
